Deck Boards

Offering defining quality and an unrivalled specification, this advanced deck board is designed to give a premium appearance whilst being engineered to meet your needs for many years of untroubled enjoyment.

Disclaimer: Colour samples shown are for reference only. Please ask for an accurate sample before ordering.

- Antique
- Woodland Green
- Driftwood
- Tawny

180mm x 35mm

Premium EXCEL Polymer Deck Board

A 100% polymer board produced with an advanced engineering grade thermoplastic cap layer giving exceptional weatherability. This board combines multi colour processing technology and a dual wood grain pattern giving excellent slip resistance and an unparalleled natural appearance.

- Painswick Grey
- Beige
- Cream

180mm x 35mm

Premium ECO Polymer Deck Board

A 100% polymer board with double credentials, incorporating higher levels of recycled material and a more efficient high grade cap layer, this board provides excellent weatherability and slip resistance whilst having a greener recycled element.

- Teak
- Redwood
- Grey
- Ebony

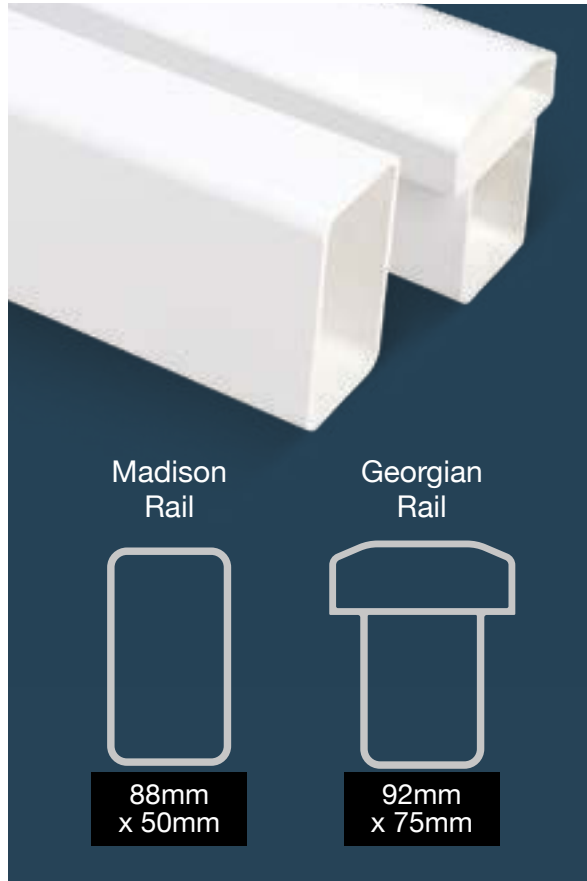

146mm x 23mm

Composite Deck Board

Dual sided, durable solid board decking with a traditional deep woodgrain effect finish on one side and a low risk of slip with a grooved surface on the other side. Quick and easy installation with either our hidden clip system or traditional face fix option using our colour matching screws.

Handrails

Balustrade and profiles are manufactured using high grade PVCu that offers a class 1 fire rating. As with all our PVCu products, the problems associated with traditional wooden alternatives are removed, leaving the customer with a virtually maintenance free product that is both durable and aesthetically pleasing.

- White
- Painswick Grey
- Beige
- Cream
- Golden Oak
- Rustic Oak
- Dark Green
- Grey

Handrail Reinforcement

Hallmark handrails are available with a galvanised steel reinforcement option which allows for increased rail spans, improved strength and reduces the possibility of deformation.

Picket Options

The range incorporates a variety of handrail and picket style options to suit every customer's design ideas.

Floating Glass in Clamps
Glass is available in clear, grey tint, bronze and blue. Clamps can be colour matched or stainless steel. Our rail heights are British Standard 900mm from flooring.

Contemporary Pickets

Square Pickets

Diamond Pickets

All available in all colours

Assist Ramps

We have a specialist team which deals with ramps for the disabled. Hallmark is an accredited supplier to councils. Our dedicated, experienced team will guide you through the process of choosing your slip-resistant assist ramp.

The Perfect Solution

- Easy access for the disabled
- Fully fitted
- Easy maintenance
- Slip resistant
- Fully compatible with all major motor scooters and wheelchairs
- Various styles available
- For houses and caravans

Our assist ramps can be produced in any of our available colours to complement your decking

Garden Decks

Decking can be a really good alternative to a grass or slabbed area in your garden. Timber decking has become increasingly popular but needs annual maintenance. With a Hallmark Sundecks Composite or uPVC garden deck you can benefit from a decked area of your garden that is maintenance free.

Decking isn't just a place for relaxation and to entertain guests it can also add value and curb appeal to your home.

FEATURES:

- uPVC or Composite Deck Boards
- 10 Limited Warranty
- Zero Maintenance
- Available in a variety of styles and colours

Enhancing your home

Please visit our website or call to speak to one of our surveyors. Hallmark will provide ideas to improve your home and maximise usability from your garden.

Finance Available

You can spread the cost of your installation to suit your needs.

Contact Hallmark Sundecks to discuss your requirements

Hallmark Sundecks Limited is an Introducer Appointed Representative and provides a pure client introduction through Improveasy Ltd., a company registered in England and Wales (Co. Reg. number 7807352). Registered Office: Manchester Business Park, 3000 Aviator Way, Manchester M22 5TG. The firm is authorised and regulated by the Financial Conduct Authority (FRN 708623). The firm is authorised as a Lender (limited only to green deal finance plans). It also acts as a Broker, not a lender, and offers credit facilities from a panel/one lender. The credit is subject to application and status.

HALLMARK SUNDECKS

After care guide and information

QUALITY STANDARD

All polymer products are manufactured by PAL GROUP (Operations) LIMITED under the controls of BS EN ISO 9002 quality standard. A copy of their ISO 9002 certificate is available on request.

DECKING WARRANTY

The 100% polymer used by Hallmark Sundecks is covered by a 10 year limited warranty. Composite materials are covered by a 2 year limited warranty. Copies of these warranties are available on request. Manufacture and installation by Hallmark Sundecks Ltd are covered for 12 months (Fair usage applies).

Please keep proof of purchase.

GLASS WARRANTY

Our glass is covered by a 5 year limited warranty and installation by Hallmark Sundecks Ltd is covered by a 12 month guarantee. The glass we use is toughened and will withstand most impacts.

Please keep proof of purchase.

MAINTENANCE

All products used by Hallmark Sundecks are designed to require very little maintenance; polymer products can be cleaned with lightly soaped water, the occasional jet wash and do not need painting, sanding or sealing. Gate hinges, latches and screws on the lights will need lubricating a couple of times per year.

As with any product normal weathering will happen.

Leave everything to our highly qualified team

Our skilled team of manufacturers and installers can design and build the bespoke decking of your dreams! Contact us today to discuss your requirements.

WAYS TO PAY

We accept all major payment methods including Visa, Mastercard, cheque and cash settlements.

Experience

Hallmark Sundecks products are manufactured by PAL Group (Operations) Limited, a company with over 30 years experience in thermoplastics under the manufacturing standard ISO 9001.

Warranty

100% polymer products have a 10 year limited warranty.

Product Maintenance

Sundecks manufactured by Hallmark require very little maintenance with no painting, staining or sealing necessary, just a little soapy water will suffice for the occasional clean.

Fire Safety

Polymer materials have been tested by Fire Technology Services (a UKAS accredited company) in accordance with BS 476: Part 7: 1987. The specifically rigid PVC exceeded and was certified to the requirements of BS 476: Part 7: 1987 (as amended) Class 1.

Environmentally Friendly

Utilising co-extrusion technology and our supplier's own in-house recycling centre, the majority of products used by Hallmark Sundecks are manufactured with a high grade polymer outer layer and a partially recycled core.

British Standard

Polymer products have been tested by official testers Lloyds British Testing Ltd in accordance with the specifications set out in BS6180: 2011.

Slip Resistant

Deck board slip resistance testing carried out by accredited testers Grip Potential Ltd in accordance with BS7976-2.

Structural Integrity

Sub-frame structural calculations provided by Hancock Wheeldon & Ascough approved structural engineers to standards set out in BS6180: 2011.

Installation

Hallmark Sundecks Ltd cover Lincolnshire, Nottinghamshire, Peterborough, Humber, Norfolk, Scarborough, Bridlington, East Yorkshire, North Cambridge & East Leicestershire. We aim to provide a professional blue chip approach with a localised installation service.
